<sup>1</sup> Buildings which have both cladding types where the ACM is being funded through the ACM fund.

There are currently 65 registrations for buildings with both ACM and non-ACM cladding systems. Of these, 39 have been assessed as eligible for funding for the non-ACM and ACM cladding and 30 have been awarded funding.

**As at 31/05/2021, the total amount of funding allocated for the remediation of non-ACM cladding is £428m (including social sector).**

Further information on the location of registrations is available at the following link: <https://www.gov.uk/guidance/remediation-of-non-acm-buildings?=6#building-safety-fund-registration-statistics>. We have not included registration locations where there are fewer than 5 buildings in a Local Authority area to prevent the identification of specific buildings.
