Claims Withdrawn	8	8	0
Total Claims Received	224	222	-2***

* This includes 36 claims which have had their technical eligibility accepted but remain under review to assess associated costs.

** This number has been reduced as (i) four claims originally deemed ineligible were successful in the appeals process and are now included in the number of Eligible Claims subject to further review, and (ii) one further claim was deemed ineligible.

*** This number has been reduced as four claims were amalgamated into two claims.

As at 31 July 2021, the total value of approved social sector grant claims is £78.7 million.

Expenditure data will be updated on a quarterly basis with the next update due in October 2021. As at 30 June 2021 the total value of social sector grant claims expenditure stood at £9.9 million.
